

# Primary Computing CPD Day

## Saturday 12th November 2016

### Camden CLC £25

<http://tinyurl.com/cpdsaturday>

- A whole day of practical, hands on computing workshops for primary teachers.
- Choose four sessions from twelve workshops.
- Workshops include Scratch, Kodu, unplugged lessons, networks, e-safety, assessment, crumbles, HTML, coding apps, creative computing ('It's not just about coding') and loads more.
- Presenters include Miles Berry, Jon Chippindall, Su Adams, Nic Hughes and many other superb computing teachers and teacher trainers.
- Whether you are a beginner or an improver there is something for everyone.
- Opportunity to talk to your local Computing At School reps about your school's needs and to book a free staff meeting CPD session with Barefoot.
- Lunch included.

Please share this opportunity with your colleagues and other schools.  
Limited numbers, so please book early.
